

features

- shielded extension cable
- straight M8/4-pin female connector to straight M8/4-pin male connector
- length: 1,5 m

mechanical data

use in cable carriers yes

cable length [m] 1,5 m

weight ≤ 75 g

material PUR, halogen-free

electrical data

number of poles 4

connectors M8 male connector, screw lock
M8 female connector, screw lock

environmental conditions

flame resistance DIN UL-Style 20549

halogen-free DIN VDE 0472 part 815

operation -40 ... +80 °C

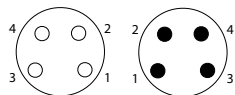

temperature (static)

operation -25 ... +80 °C

temperature

(moved installation)

pin assignment
