

Main Features

- 360° positioning of the thermometer dial
- For thermometers with smooth immersion tube without process connection
- Process connection G $\frac{1}{4}$
- Brass & stainless steel (1.4571 / 316Ti)

Applications

- HVAC
- Water & waste water
- Energy
- Machinery

Technical Data

Max. Temp. °C	Max. Pressure (bar)	
	Brass	Stainless Steel
100	64	250
250	25	160
400	-	125
650	-	100

Weights

Thread a	Weight (kg)				
	$l_s = 60$ mm	100 mm	160 mm	250 mm	400 mm
G $\frac{1}{4}$	0.020	0.022	0.025	0.029	0.034
